Education

Unity Grammer

2010-2013

Was an Islamic school, didn't do much in this period of time.

Bonnyrigg Heights Primary School

2013-2017

The rest of my primary school life, learned heaps, made bunch of friends.

Cecil Hills High School

2018-2024

High School life, learned how to create my own wood work, learned stop motion animation for my year 11 and 12 major projects, history was awesome and biology was very interesting.

Western Sydney University Kingswood

2025-ON GOING

Came here to learn about Construction Management so then I can run a business that has been made for me, as well as join with another company to make 1 massive business.

Work

Labour/Project Coordinator

2023-ON GOING

Currently working for a company who complete works in many areas, from the railway to substations, even the new airport at Badgerys Creek, I price works, prepare materials, and supervise jobs from a span of a week to a month.
